Join Us in Spreading Positive Vibes for First Responders

Positive Vibes for First Responders is a heartfelt collaboration between veteran journalist **Preston Mitchum Jr.** and **Kate Priest**, Mental Health Clinical Coordinator for **Indian River County Fire Rescue**.

This uplifting book brings together thoughts and reflections from local firefighters, paramedics, and EMTs, paired with daily affirmations that celebrate courage, resilience, and hope. It's designed to remind those who serve our community that their strength and compassion make a difference every single day.

Proceeds from this project will benefit the **Indian River County Fire Rescue Benevolent Fund** and the **PMJ Foundation**, helping support first responders and their families in times of need.

We're inviting community partners, local businesses, and individuals to join us in providing **free copies of Positive Vibes for First Responders** to the men and women who protect and serve our community.

Your sponsorship helps share encouragement, gratitude, and a lasting reminder that their service truly matters.
